Theatre / Cinema Excursions	\$ 50.00

Technology & Enterprise - Textiles	
Standard materials for projects are covered within the course fees & charges. If students choose to use alternative materials which exceed the cost of the standard supplies, families will be invoiced for the difference. For example, in Fashion Fusion, students might be provided with calico with which to sew a garment. If the student selects to use silk (instead of calico) a charge for the additional cost of the silk would become payable.
